MEMORANDUM FOR: Deputy for Field Activities, OSA

SUBJECT : Status of EWS in IDEALIST and OXCART Programs

The attached lists indicate the current status of the several EWS equipments utilized and planned in the IDEALIST and OXCART programs. The Office of Special Activities has forwarded a memorandum to the Office of Electronic Intelligence (OEL) requesting the status of projects these lists indicate as unknown. It is known that OEL has been presenting a series of briefings to NRO representatives designed to obtain the funds necessary to initiate and/or complete certain of the EWS requested by OSA. The results of the briefings/funds requests will be reported by OEL in their response to the OSA memorandum.
